Description

Duncrahill Favour is by the highly successful Sports Horse stallion, Stanhopes Diddicoy and out of our homebred Quarter Horse mare, Duncrahill Fescue. She has inherited the quality confirmation and limbs of her parents. Favour has a good nature and is a very straight forward horse to work with. She is going to make a versatile horse and could compete in a number of different disciplines.

Performance

Duncrahill Favour is currently being backed and is showing a good attitude towards her work. She is a free moving horse with lovely fluid paces.

Sire

Stanhopes Diddicoy is a proven competition horse with a highly successful and versatile career in showing, show jumping and dressage. He is a true dual purpose stallion with three correct paces and an outstanding ability for dressage. He displays a superb ability and technique over a fence.

His many offspring are now excelling in all three disciplines, particularly Eventing and Showing.

Stanhopes Diddicoy has world class blood lines on both sides of his pedigree. He is also ranked number one Coloured Dressage horse in the UK.

Dam

Duncrahill Fescue is a Home Bred mare out of Waccabuc Jr who was female and reserve Supreme champion Quarter horse as a 2 year old. Waccabuc Jr was by Waccabuc who was one of the most successful competing Quarter horse stallions to be imported into the UK. Fescue is by the Quarter Horse stallion Venture Max who was imported for Canada and was the stud stallion for 16 years. Fescue is a full sister to Duncrahill Orinoco who is enjoying a successful career as an Endurance horse.
